Personally, she has been highly effective in assisting me to achieve both my professional and personal goals as well as make significant contributions to the success of the organisations I work for.

— Georgina van de Water
Chief Executive Officer, GP Synergy

Jeanette brings warmth, energy, intelligence, and compassion to her work. Her approach, coupled with a depth of knowledge and years of experience make her a very insightful and impactful coach. Every session was valuable and I am a better (and happier!) executive as a direct result of working with Jeanette.
